PRESENTS PAWS TO PREVENT

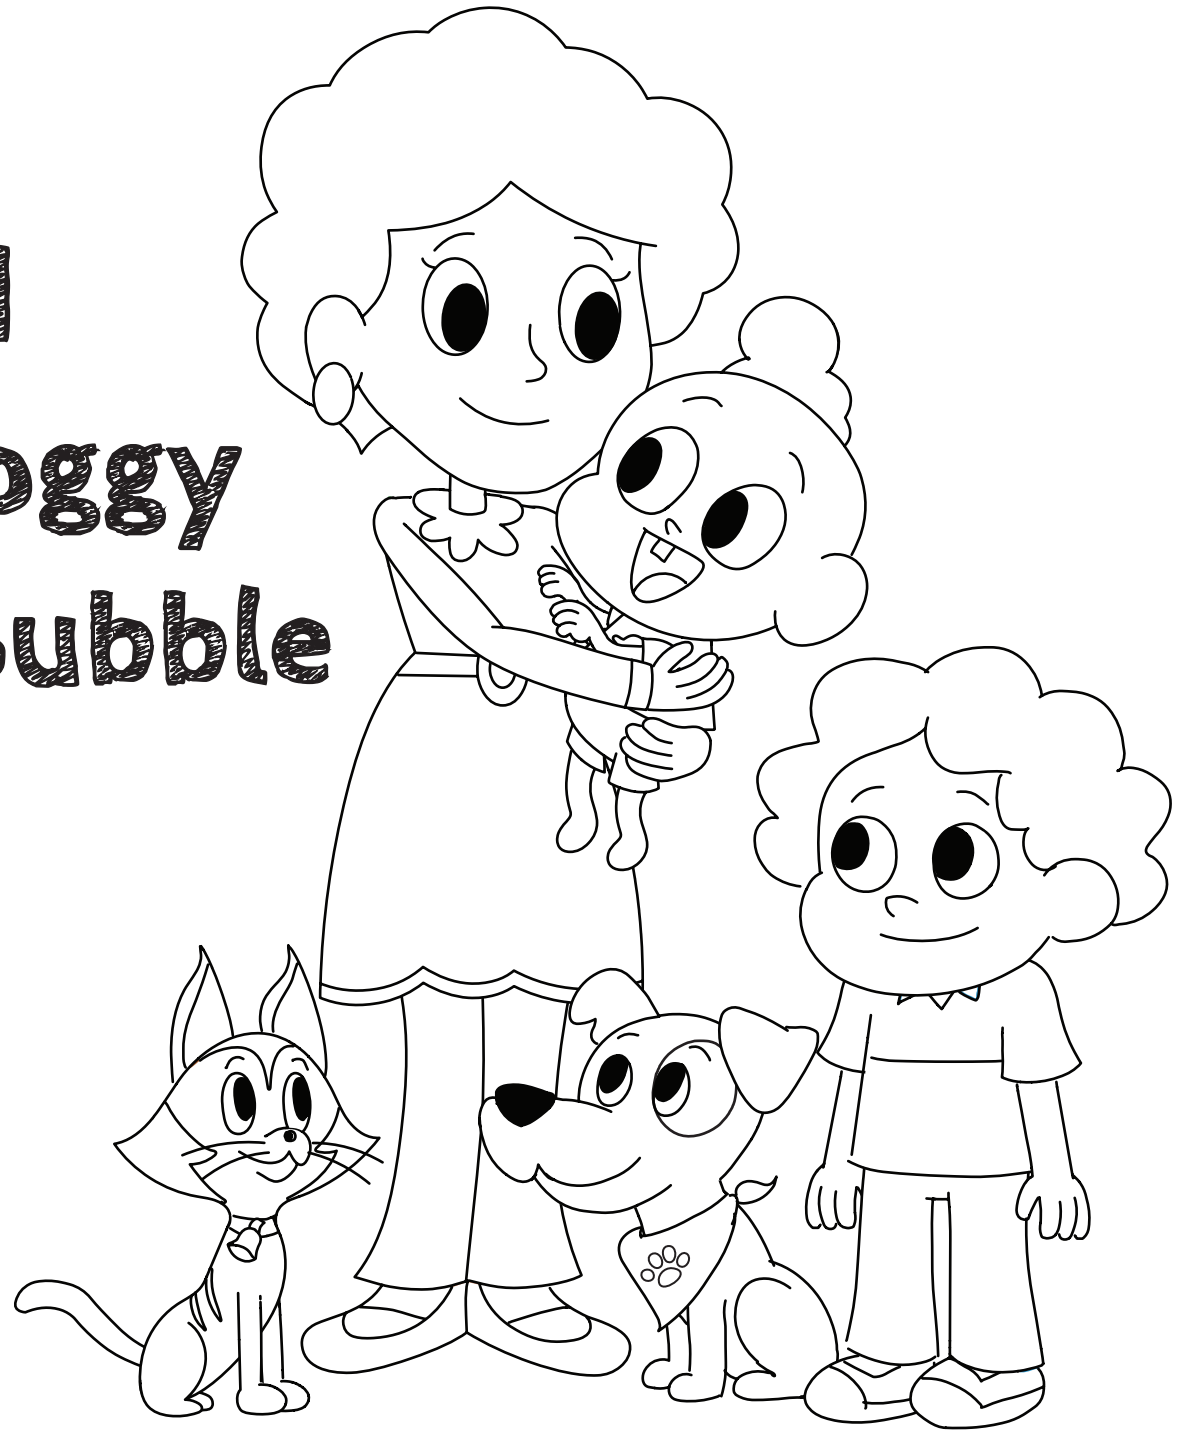

A Children's Education

initiative with

Charlie & Alex

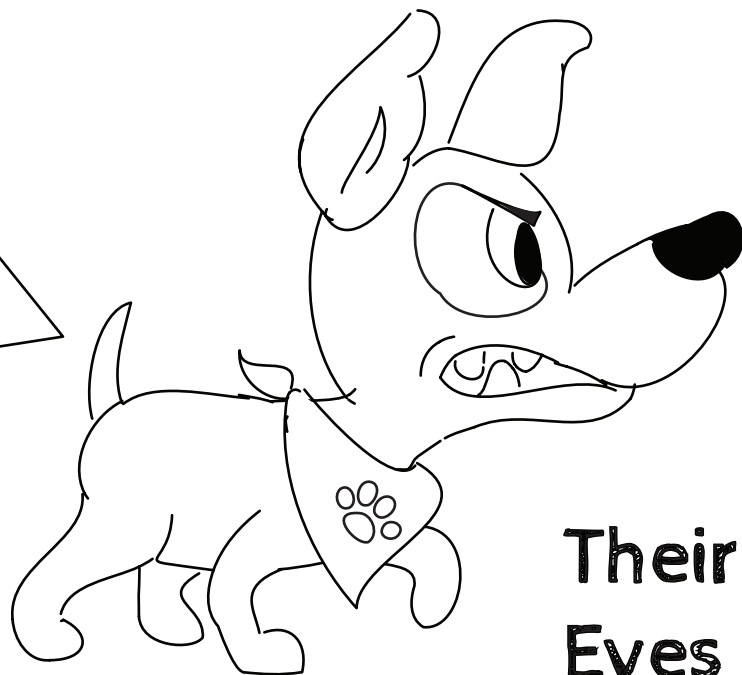

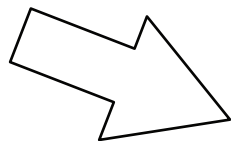

Lesson 1
Speaking Doggy
Respect the Bubble

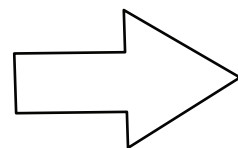

We gotta listen to our dogs 'cuz they got a lot to say

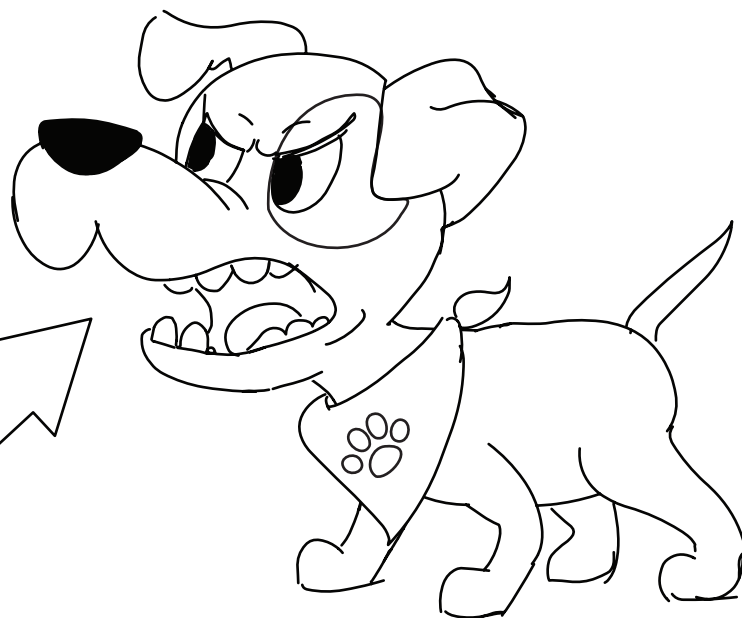

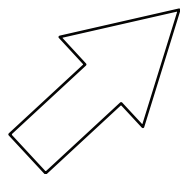

**Their
Tails**

**Their
Eyes**

**Their
Mouths**

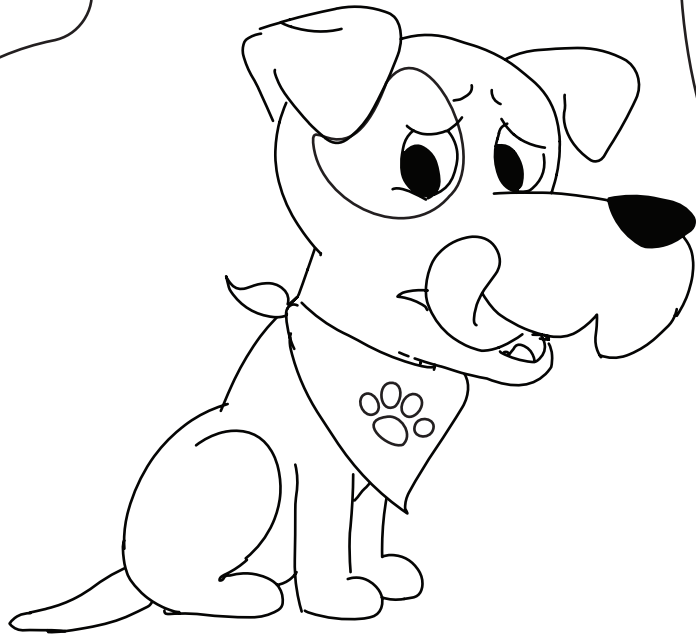

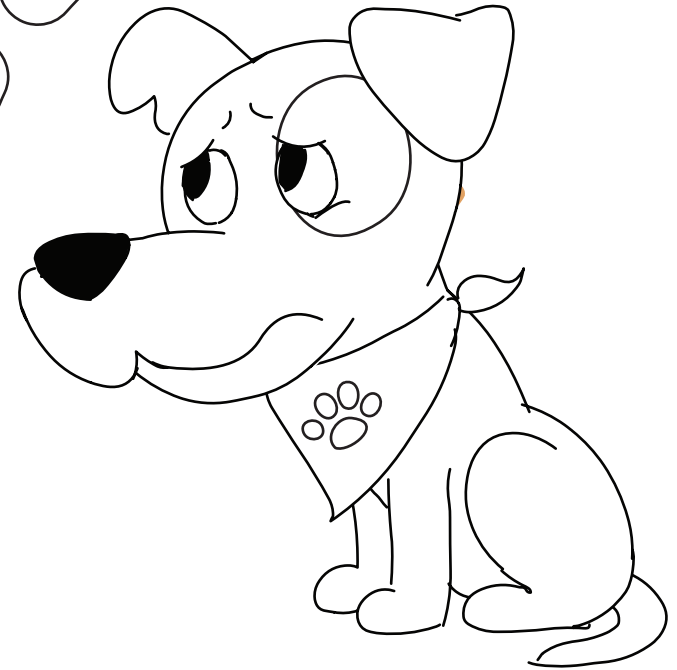

Tell us to come or stay

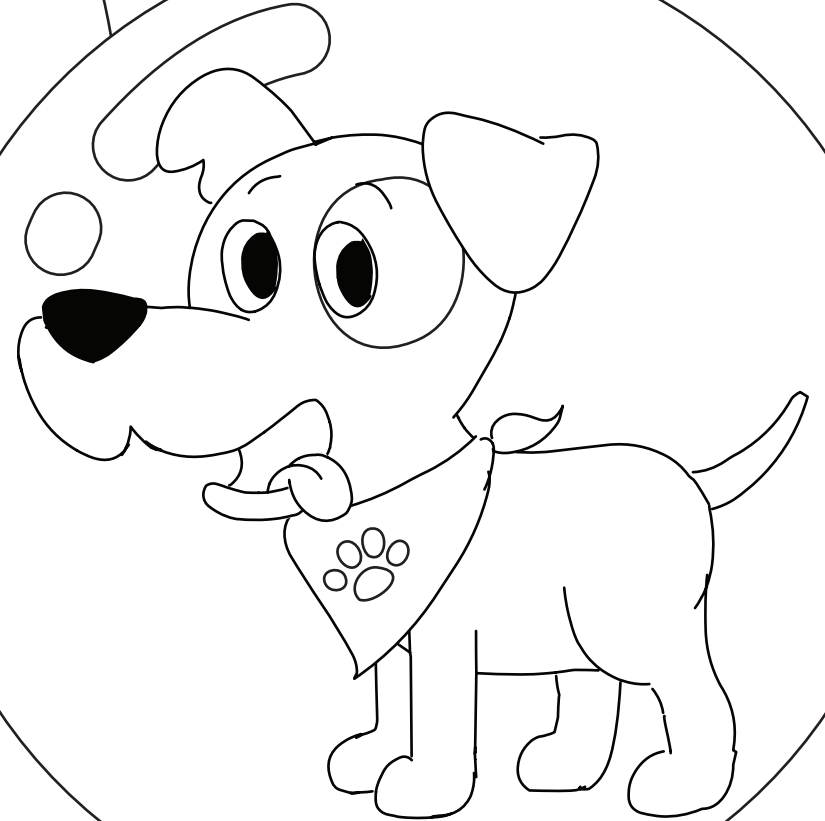

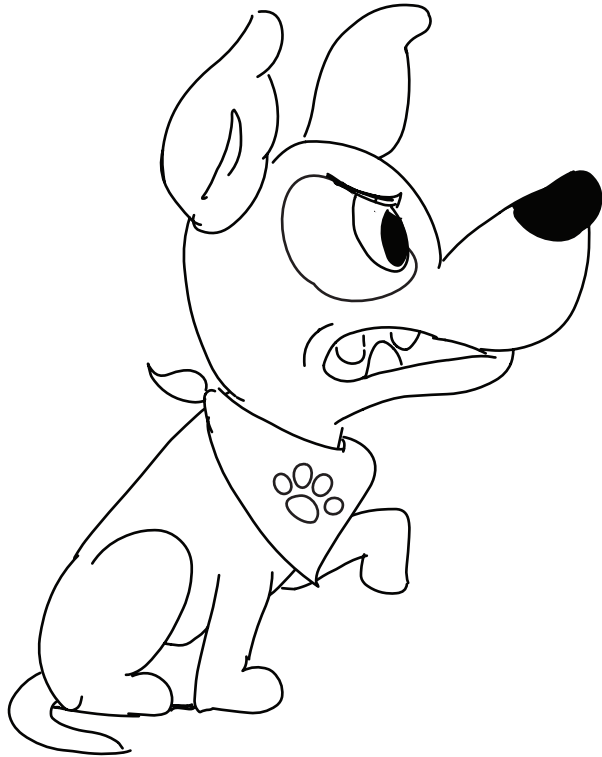

Every doggy has a bubble

That helps create some space

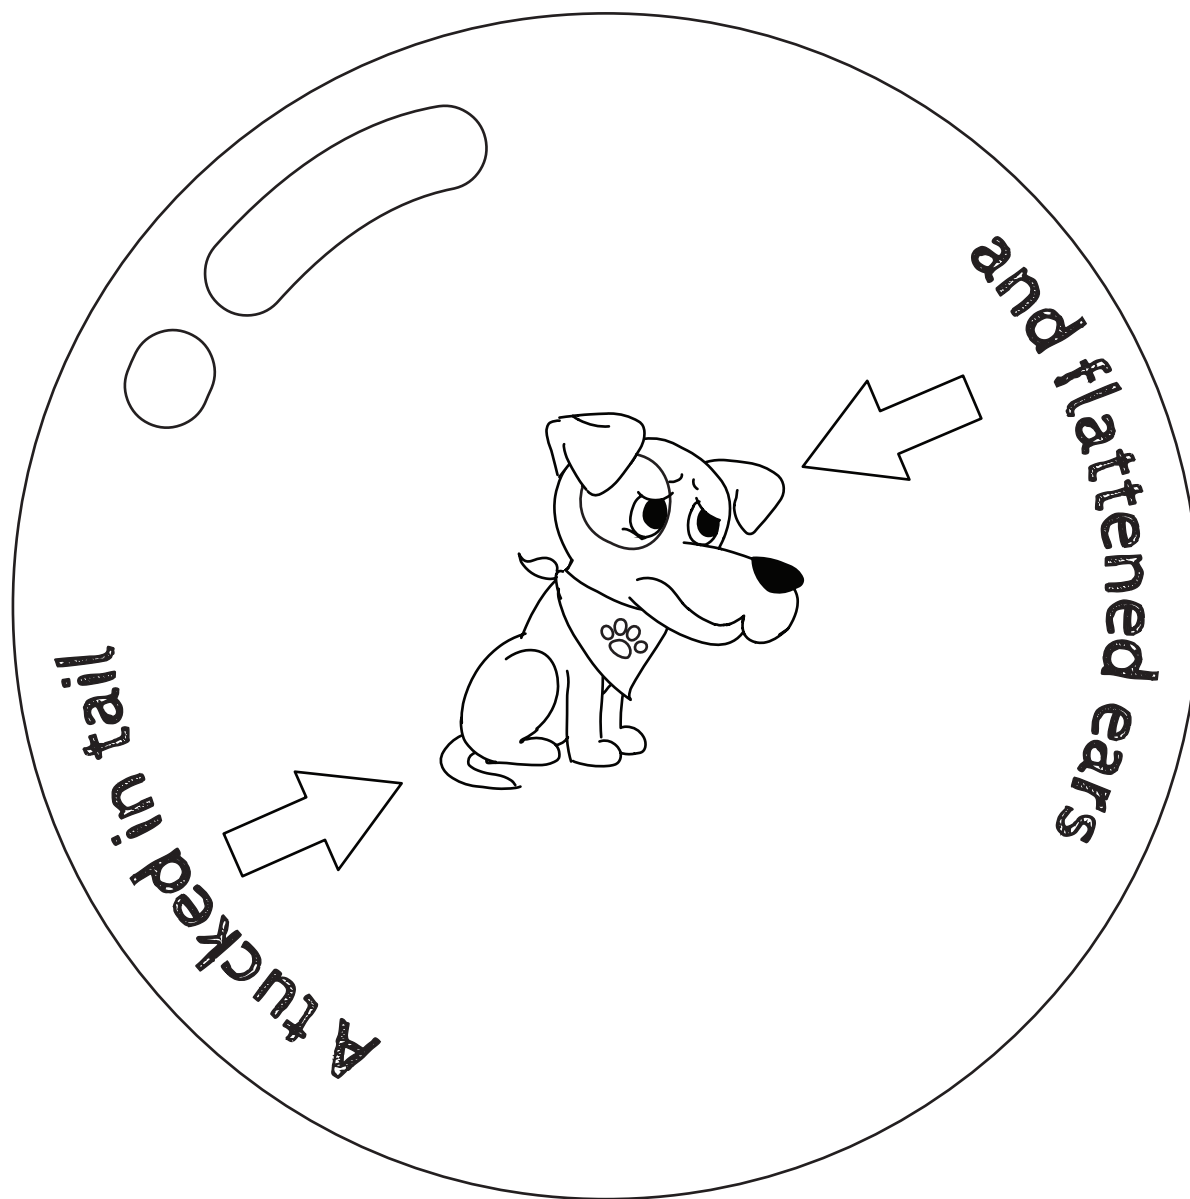

**The size and
shape and color**

Helps you find the safest place

A dog that's scared or nervous

Has a bubble BIG and RED

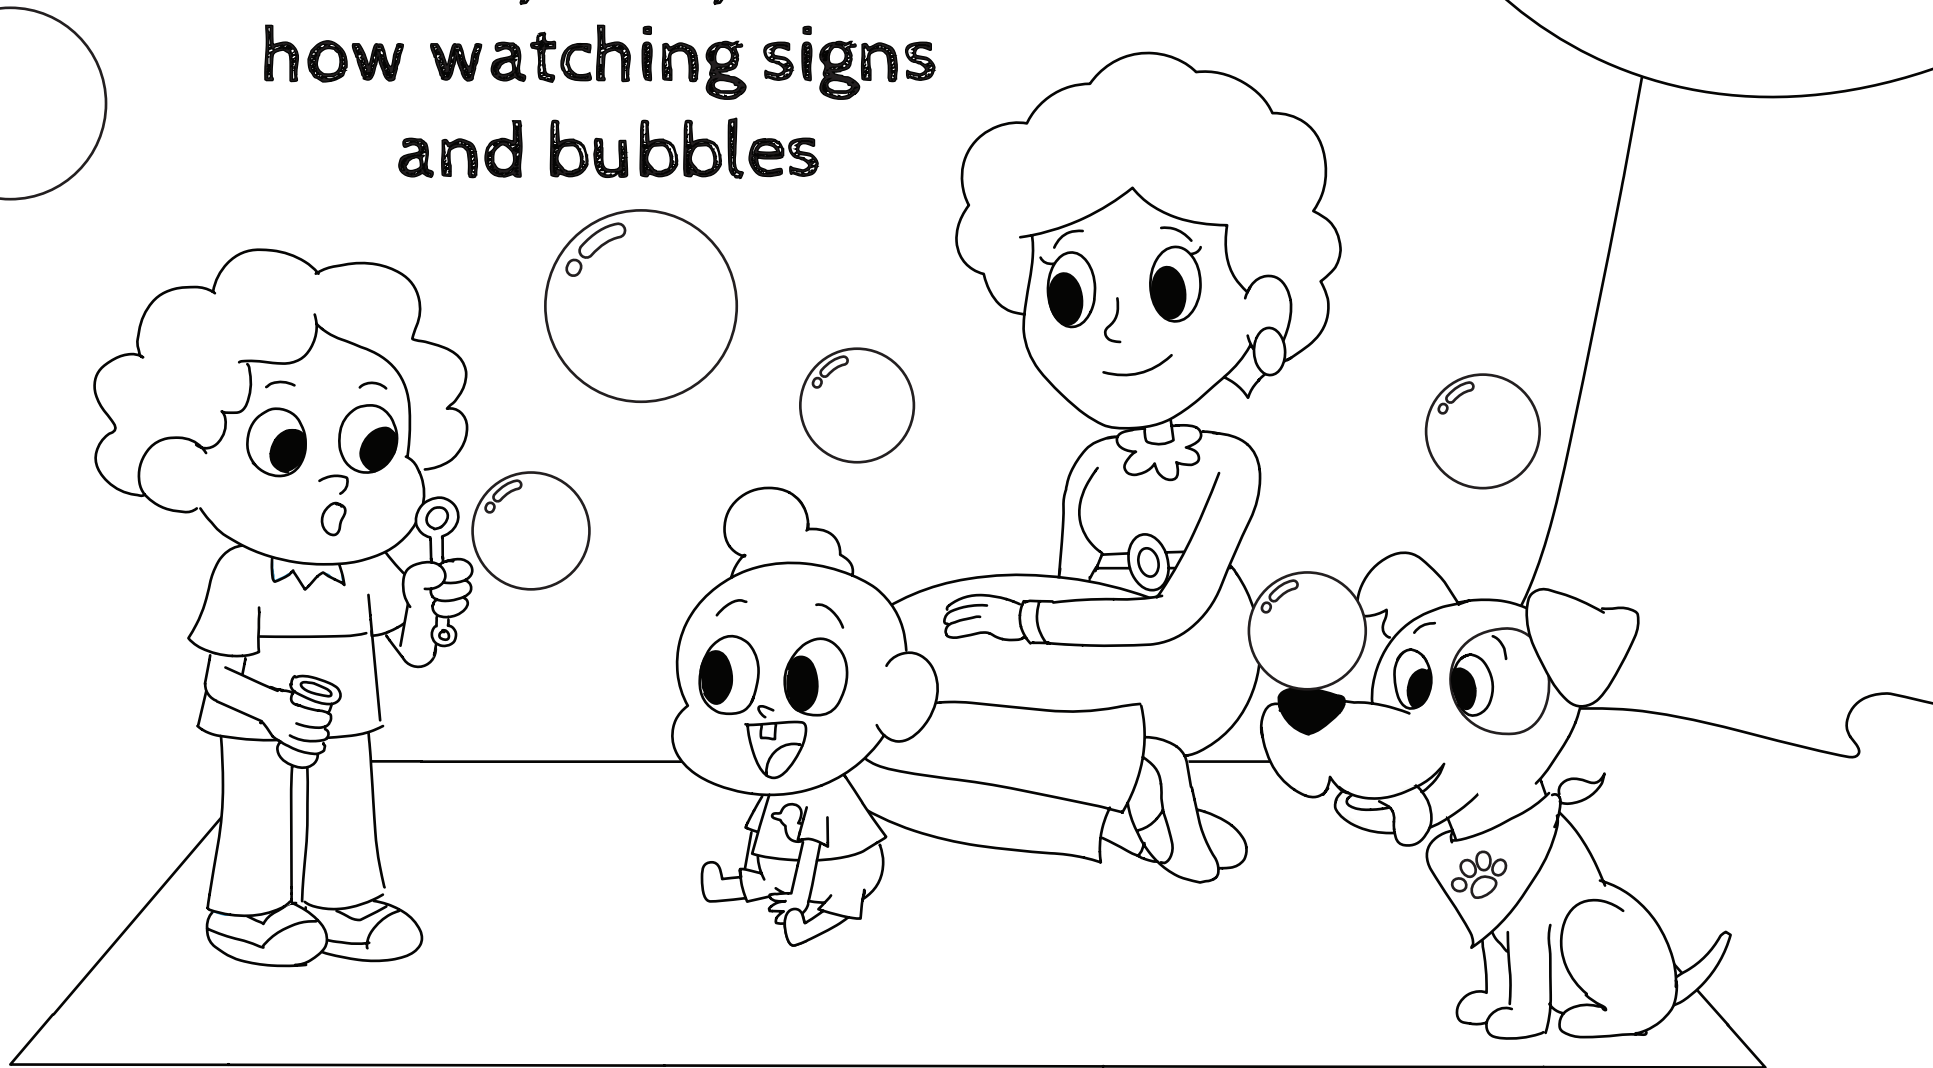

Go someplace else instead!

**A dog that's
calm and happy
has a bubble
that is GREEN**

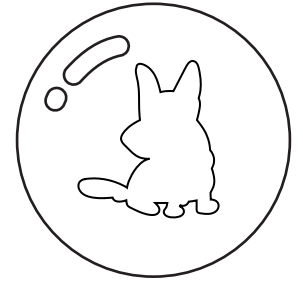

**Earn their trust and confidence
by giving room in between**

Now that you speak doggy
tell everyone you see,
how watching signs
and bubbles

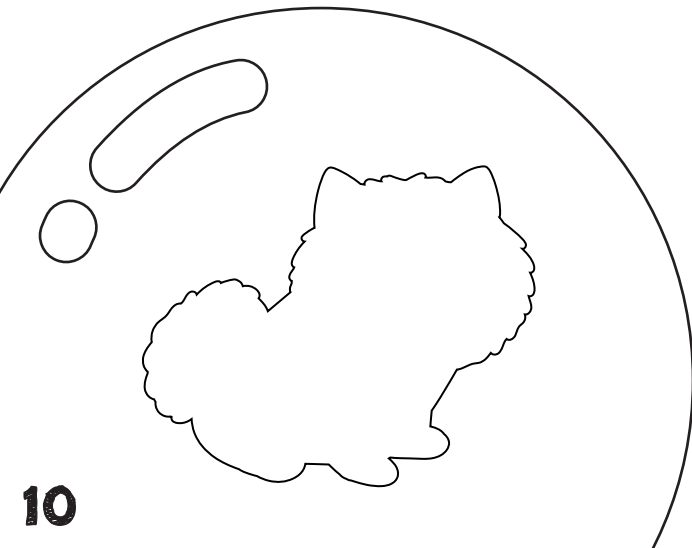

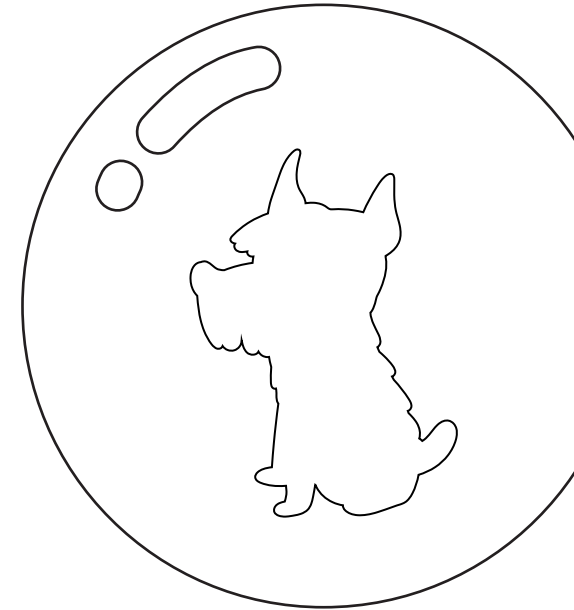

Makes a happy fur-mily!

Respect the Bubble

Stay out of Trouble!
